**BEACHFRONT CONSTRUCTION CERTIFICATE**  
(FORM PASF-1)

The following items must be accomplished. Check box to indicate completion of item or the statement is true.

- The project has been located on a copy of Attachment #2 of the Coastal Management Plan and the location of the construction is not on an existing or future access easement. A drawing is herein attached.
- The construction does not functionally support or depend on, or otherwise relate to, proposed or existing structures that encroach on the public beach.
- The construction, if within 200 feet landward of the line of vegetation, does not include a retaining wall or improved surfaces.
- The construction, is landward of the 60 year erosion line, as depicted in Attachment #2 of the Port Aransas Coastal Management Plan.
- The applicant has been informed of the need to contact the City of Port Aransas for a dune permit if the construction is within 1000 feet from mean high tide.

I, Joe L. Lamb as the City of Port Aransas building inspection representative herein certify that I have reviewed the information presented above and any other information necessary to establish that the proposed construction is consistent with the City of Port Aransas Coastal Management Plan and that the proposed construction will not adversely effect the public access to and from the public beach.
