City Council

Re: FY 2016 Budget

Dear Council Members,

The final budget for fiscal year 2016 (2015-16) is included and is presented for your review and analysis. This budget message is designed for quick and easy reading, in order to arm Council with the information it needs to review your management's advice, check policy and goal alignment, and allocate resources toward desired ends and programs. In the end, the budget is a value based document and yearly plan, showing the priorities and intended financial actions of the City.

## Financial Emphasis

The emphasis of this year's expenditures will concentrate on the following Council directed financial goals:

- This budget is built with the effective tax rate of \$0.275666 therefore there is no increase to the taxpayer for property taxes
- This budget is aimed at continuing the growth in city services that the previous city councils have committed to.

### Past funded growth items include:

- 2015 staffing increases to our EMS services to achieve two-fully staffed ambulance crews.
- 2014 staffing increase of 2 police officers
- 2014 staffing increase of a code enforcement officer
- 2014 staffing increase for a full time latchkey/summer program director

### This year's growth items include:

- Staffing increase of 1 police office and 1 PD records clerk

- Increase of police overtime budget for spring break, sandfest, traffic, and busy weekend patrol
  - Fully funded year of increased EMS staff, prior year was only nine months of staff
  - Increase of parks & rec budget for increased latchkey operations due to pre-k being added to the program and increased summer staffing for programs
  - Staffing increase of 3 public works beach workers
  - Staffing increase of 2 public works street/trash workers
  - Staffing increase of 1 gas utility worker and 1 record compliance/utility worker position
  - Increased street sweeping services
- There is a pay improvement to the pay scale for civilian employees of 5% and the pay steps of 3% will be utilized for employees that have been employed longer than six months. This will alleviate the pay remaining stagnant for employees that have been employed for a period of time. Employees who have reached the maximum pay for their job classification will also be frozen and not receive a pay increase.
  - The police officer pay structure has a cost of living adjustment of 2.5% beginning October 1<sup>st</sup> and a new POPS (police officer pay scale) will be implemented April 1<sup>st</sup> which has an adjustment of an additional 17.5% to the beginning officer salary. This will bring our starting salary within current market range. This pay adjustment will need to be fully funded next fiscal year
  - Avenue J drainage improvements – monies are budgeted for engineering and surveying of \$200,000 and \$320,000 seed money is set up to be transferred to the Street Maintenance fund to construct the drainage improvements
  - Increase estimate in all funds for health insurance premiums by 5%
  - Completion of citizen authorized 11<sup>th</sup> Street bond project
  - Continued increased funding for beach maintenance and cleaning
  - Funding for Airport Capital Improvement plan
  - Improvements to playground equipment at Robert's Point Park and an addition of a slide at the community pool purchased with RDC funds

### Format

City expenditures are grouped and organized by funds and presented in a quick overall all-fund summary in the "Budget Summary." This one-page summary gives you a look at each of the fund groups the City operates and total of all funds.

## Major Highlights

### General Fund

The General Fund budget is proposing to dip into reserves for a total of \$883,685 for the following items, this amount will leave us with approximately six months of reserves. All of these items are on-time expenditures (except for the street sweeper which may need to be replaced in approximately seven years)

○ Ave J Drainage Engineering & Surveying	200,000
○ Tsf to Streets for Ave J Drainage Construction	320,000
○ Street Sweeper	217,000
○ Library Roof	77,100
○ Fiber Optic Upgrade for Network	32,000
○ Website Upgrade	20,000
○ Phone System at City Hall	23,000
○ Gazebo at Cemetery	10,000
○ Parking Lot Fence at Police Department	10,000
○ Monument Sign for City Hall	6,000
○ Park Master Plan Update	5,000

Consequently, the General Fund budget is sustainable. The goal of the Council has been to establish a reserve in the General Fund which equals to at least six months of operations which is \$4,202,860. At the beginning of the current fiscal year, the reserves were \$5,111,947 or \$909,087 beyond the six month reserve goal. At the end of July 2015 this amount has decreased to \$5,068,035 or \$865,175 beyond the six month reserve goal. The budget also includes the addition of four positions, one patrol officer, police records clerk, and two public works workers. This also has a full year of four additional EMS personnel which enables the City to have two ambulance crews on duty at all times which began in January 2015. This budget includes the sixth payment on a ten year lease for a new fire ladder truck and the fourth year, and third year of five year payments for new ambulances. There is a purchase of a new street sweeper/vacuum machine for street cleaning. There is replacement and addition for several vehicles within the fleet which allows us to replace this equipment on a normal rotation schedule (refer to page 130 for a list of these items). The beach lifeguards and the public works beach crew have been reclassified to the Beach Fund but some of the beach maintenance efforts are also reflected in the General Fund as these costs are reimbursed to the General Fund from the Beach Fund for the work performed by various employees within the Fund.

### Nature Preserve

The Nature Preserve Fund continues to have costs funded out of the Hotel Motel Special Fund to perform maintenance and operation of the preserve on a daily

basis. This provides for one groundskeeper and two part-timers to address pepper tree eradication. There are monies included for bulkhead repairs and monies also included for master planning the bulkhead park area in the Nature Preserve at Charlie's Pasture. There is approximately \$265,000 remaining in this fund for continued construction. It is unknown at this time if we will expend these funds or try to pursue some grants and leverage this money to attain more construction through these grants efforts.

#### Hotel Motel Fund

The Hotel Motel Tax Fund has an allocation of 3% of the hotel motel tax. The budget includes an increase to the Port Aransas Chamber of Commerce for \$131,805. This is based on an increase in hotel/motel tax collections.

#### Hotel Motel Special

The Hotel Motel Special Fund has an allocation of 1.5% of hotel motel tax. The fund continues to pay for the debt on the Nature Preserve bonds issued in 2004. There are also transfers to the Nature Preserve for maintenance and operations of the preserve. Monies for a hydrographic study for a jetty system and the road permit with the U.S. Army Corps of Engineers are included.

#### Facility Fund

The Facility Fund continues to have .50% of the hotel motel monies allocated to the fund this year. This fund includes monies to improve the Civic Center such as repaint the floor, place siding around the maintenance shop at the back of the building, replace some of the exterior doors and repair foyer wall joints. There are funds include to paint the interior of the community center. Also monies to maintain the Civic Center and Community Center are in this budget.

#### Airport Fund

The Airport Fund includes the final match needed for the TXDot improvements in 2015-16 which is \$320,438. We are just waiting on TxDot Aviation to request this match as the project moves forward. These monies are now in the airport fund as the match was provided in previous budgets and the remaining funds were raised by an auction for hanger lease negotiations.

#### Beach Fund

The Beach Fund has 2% of the hotel motel tax monies allocated to the fund. The fund also now receives two percent of the State Hotel Motel tax to maintain the beaches in the City. Included in this budget are all operations for the beach lifeguards. We have also shifted the public works beach operations to this fund. We have budgeted for two additional beach workers and one additional heavy equipment operator. Funds are available if contract services are needed to assist us with beach cleanup in extreme conditions such as heavy seaweed events. There is also contract labor included for beach trash cleaning during the heavy

tourist months. There are monies included to attain a permit to be considered an engineered beach by FEMA. There are also dollars for the equipment lease payments. We are purchasing an additional dump truck and a beach cleaning machine. This fund will still reimburse the General Fund for labor and equipment hours spent on the beach to patrol the beach for safety and compliance and also will reimburse for equipment hours for equipment that has previously been purchased through the general fund.

#### Harbor Fund

The Harbor Fund has monies available to make bulkhead and handrail repairs. There is also a transfer to the airport to support operations.

#### Construction Fund

The Construction Fund includes the completion of the streets that were designated to be completed with the 2012 bond issue.

#### Gas Fund

The Gas Fund includes two new employees, one gas utility worker and one records compliance clerk. It is proposed to dip into reserves for beginning installation of an automated meter reader system. Improvements to the Highway 361 extension line and 9<sup>th</sup> Street line replacements are included.

#### Personnel Items

The City's personnel costs are the majority of its budget. In the 2011-12 budget year, the City implemented a step and grade plan for the civilian employees. We are proposing a cost of living adjustment to this pay scale of 5% and to the police officers pay scale (pops) of 2.5% at October 1<sup>st</sup> and an additional adjustment to the pops of 17.5% on April 1<sup>st</sup> for a total improvement of 20%. We will continue to implement the pay scale and increase employees a step on their perspective pay grade if they are not maxed out on the pay scale. There is additional personnel being added as follows: one patrol officer, a police records clerk, two public works workers, two workers in the Beach Fund, a gas utility worker, and a gas records compliance officer. We have included an increase of 5% to the health care premiums.

#### The Tax Base, Tax Rate, and Fees

This budget is built with the effective tax rate which is a decrease to the total tax rate. We have taken \$150,000 of impact fee collections to help pay for the 11<sup>th</sup> Street bond thus assisting us in keeping the tax rate lower. Property values increased this coming budget year thus providing for the large cut to the proposed tax rate. As of this date, \$39,272,978 worth of property is still under

protest with the appraisal district. The City's total net taxable value is \$1,857,260,637 for 2015 from the certified value of \$1,651,781,645 for 2014 , an increase 12%. The property tax levy proposed in this budget includes an increase to the General Fund of \$30,900. This is a total rate of .275666 with .064624 for debt service and the remainder of .211042 for maintenance and operations.

Thank you for your dedicated service to the City of Port Aransas.

Sincerely,

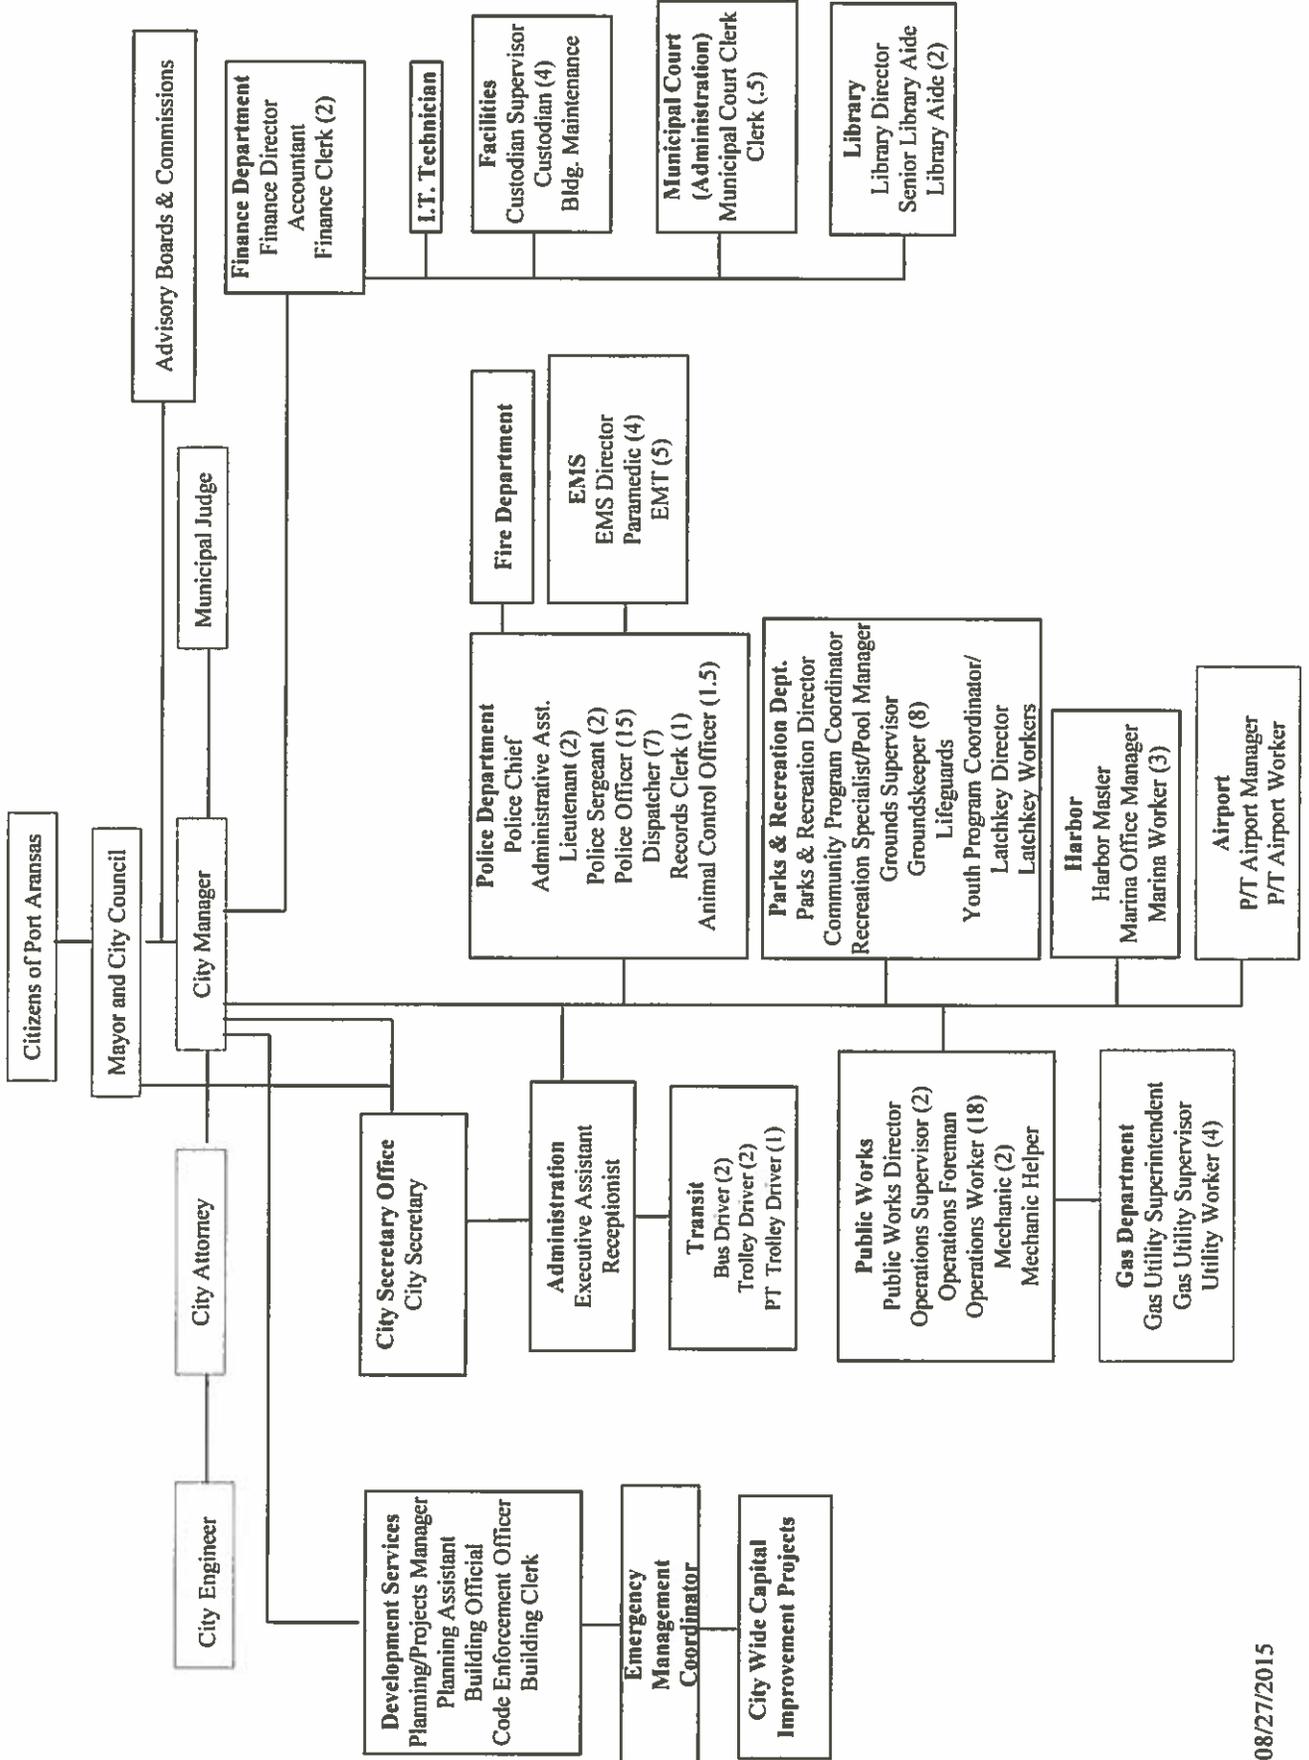

David Parsons  
City Manager
