

Trash, Debris, and Brush

What you need to do

Your help is needed!

Please:

1. All food waste either place in your blue toter for pickup or bring it to the Citizen Collection Station. **NOT** in the street piles!!!!
2. Citizen Collection Station is only accepting food waste and brush, **NO** construction debris!
3. **FREE** Brush, Construction debris, and Hazardous items will be collected at the front of your property. It **MUST** remain separated (see diagram below)
4. No part of your trash piles on the Street! **No Exceptions!**
5. Be cautious not to make piles near utility meters, trees, fire hydrants, elec. pedestals
